

You are going on an excursion to Warragamba Dam.

Our education team can't wait to meet you!

You will travel to Warragamba Dam.

You will drive through the entry gates.

You might eat a snack in the park.

The toilet block is nearby. Your teachers will take you.

You might see kangaroo poo on the grass.

You will meet some of our educators.

They are friendly, helpful, and love answering learners' questions.

Rusty

Leonie

Kelly

Helen

You will start to learn about the dam.

You might drive to the dam.

You might go to the classroom.

**You will see the beautiful
Lake Burragorang.**

On the dam tour, you might visit the...

crest (top of the dam wall)

crest crane

It's important to:

keep your feet on the ground,

listen carefully, and

stay together.

gates

Our learning space is in the Visitor Centre.

**You might see other visitors or
other people who work at the dam.**

You might enter our learning space...

through our main doors, or

through our big, sliding door.

Our learning space is called the Burraborang Room.

The view is amazing!

You will do lots of different activities in this space.

At the end, you might have a rest and eat in our picnic area.

More things you might like to know before your visit

Weather

It might be hot or cold.

It might be windy or still.

It might be rainy or dry.

What we do each day depends on the weather.

Sounds

Warragamba Dam is a work site.

Lots of animals live
Sometimes you might hear nearby.
unusual sounds.

Sometimes you might hear loud sounds.

Wildlife

You might see wildlife.

Give them space.

Don't feed them your food. (They are great at finding their own food.)

Heights

Warragamba Dam is very tall.

You might stand at the top.

You might stand near the bottom.

You will always be safe.

See you soon!
